

## 4 WAYS WESTMINSTER COLLEGE SETS YOU UP FOR SUCCESS

At Westminster College, our goal is helping you succeed in the modern workplace. Here, you'll receive a top-notch, 100% online education while being supported at every step. Our flexible program is ideal for active military, veterans, and their families. You can skip a session when duty calls, and we accept military benefits to pay for your education. Plus, you can get credit for knowledge already gained through military training and on-the-job experience.

See below for just a few of the ways we'll help you achieve your personal and professional goals.

### High-Demand Program Offerings

Westminster's flexible, 100% **online degree programs** in accounting, business administration, finance, organizational leadership, and psychology were designed to prepare students to enter some of the fastest-growing and most rewarding fields in the Fulton, Missouri area and beyond. We have identified the skills our graduates need for jobs in these areas, and our expert faculty will help you gain these skills.

### Real-World Experiences

You'll gain hands-on experiences that will give you the practical skills you need to succeed in the workplace. Plus, at Westminster, we're well known for **our signature programs**, including lecture series, symposiums, and forums, that attract globally renowned speakers, innovators, and leaders. As an online student, you'll have full access to these exciting opportunities.

### Personalized Support

Online degree students have full access to our student support systems, such as academic advising. Our **academic advising system** matches you with a faculty advisor in your department who serves as a guide and will help you create your personalized path to earning your degree. In fact, our accelerated programs and generous credit transfer policy make it possible to earn your degree in less than four years.

### Career Development

It is our goal to see you thrive professionally after graduation. That's why we'll provide you with the career counseling and exploration to help you find your perfect fit. Our **Office of Advising and Career Development** will connect you with employers that are seeking qualified candidates like you!

**Submit your Westminster College application today.**

We look forward to helping you take the next step toward a brighter future. For more information, please call 573-527-3795 or email [help@online.wcmo.edu](mailto:help@online.wcmo.edu).
